

FAITH CASE OFFERING PROJECT

Help Convoy of Hope give one million meals to kids around the world

Here's the plan

A special offering project is an integral part of this Faith Case investigation. In Session 6, we explore mercy. Then we challenge kids to put mercy into action with a special offering

for Convoy of Hope.

Convoy of Hope is a faith-based, nonprofit organization which has served more than forty-three million people with international children's feeding programs, community outreaches, and disaster response. In Session 6, send offering envelopes home to be filled and brought back during Session 9.

Every offering counts

Just twenty cents will buy a meal for a hungry child. Challenge your kids to give as many meals as they can.

The goal is for all the Faith Case groups to band together and provide one million meals. We'll post our giving progress on the Beatitudes page at www.FaithCase.com.

Send your offering to:

FaithCase Convoy of Hope Offering (020751)
1445 N. Boonville Ave.
Springfield, MO 65802

Your tax-deductible contribution will help Convoy of Hope feed kids around the world.

Special video

A special video appeal has been prepared for the Session 6 Response Time. Hal Donaldson, founder of Convoy of Hope, shares his vision for feeding hungry kids.

P.S. There's also a video to share with the adults to let them see what's happening in the kids' service. Check out the Offering Update on any of the three DVDs.

Easy offering printables

Labels. The Faith Case CD-ROM has label art to print on 2-x-4 inch stickers. You can attach these labels to letter-size envelopes, one per kid plus extras.

In Session 6, give the labeled envelopes to the kids. Encourage them to bring back the filled envelopes to Session 9. If they bring them back in Session 7 or 8, give them another envelope.

Posters. Also on the Faith Case CD-ROM is poster art to help your group track the meals they're giving. Poster art is provided to fit 8½-x-11 (letter), 8½-x-14 (legal), and 11-x-17 (tabloid) paper.

Or choose your own project. The Convoy of Hope Video in Session 6 is optional. The goal is to get your kids excited about helping others in a mercy project.
